Introduction

Welcome

Welcome to the Northern Kentucky Cooperative for Educational Services (NKCES).

The purpose of the handbook is to acquaint employees with policies approved by the Board of Directors that govern and affect employment and to outline the benefits available to NKCES employees.

Because this handbook is a general source of information, it is not intended to be, and should not be interpreted as, a contract. It is **not** an all-encompassing document and may not cover every possible situation or unusual circumstance. If a conflict exists between information in this handbook and Board policy or administrative procedures, the policies and procedures govern. It is the employee's responsibility to refer to the actual policies and/or administrative procedures for further information. Complete copies of those documents may be accessed from the NKCES web site:

<http://nkces.org/>

Any employee is free to review official policies and procedures and is expected to be familiar with those related to his/her job responsibilities. Employees who fail to comply with NKCES policies may be subject to disciplinary action. **01.5**

In this handbook, **bolded policy and procedure codes** indicate related policies and administrative procedures. If an employee has questions, s/he should contact his/her immediate supervisor or the Executive Director.

NKCES Mission

The NKCES mission is to enhance quality education, to provide a wide range of support services, and to model through a united voice innovative administrative practices for the benefit of students.

Every employee is a valued team member in that endeavor.

Future Policy Changes

Although every effort will be made to update this handbook on a timely basis, the NKCES Board of Directors reserves the right, and has the sole discretion, to change any policy, procedure, benefit, and term of employment without notice, consultation, or publication, except as may be required by contractual agreements and law. The NKCES reserves the right, and has the sole discretion, to modify or change any portion of this handbook at any time.
